5 CLIENT MONEY

- 5.1 LIQUIDITY PROVIDER shall use a bank account in accordance with Schedule 1 to this Agreement (the "**Cash Account**") which shall be used for the purposes of conducting business between you and LIQUIDITY PROVIDER.
- 5.2 Title in and ownership of a portion or all of the money you deposit with LIQUIDITY PROVIDER (including any Margin) shall be transferred to LIQUIDITY PROVIDER to the extent it represents an amount necessary to secure your open positions or cover your actual or future contingent or prospective obligations (which will be calculated daily in LIQUIDITY PROVIDER' sole and absolute discretion based on your daily open positions and trading and which may be greater than the Margin required to maintain your open positions, as market conditions may dictate) such that you will not have a proprietary claim over that portion or any of your money deposited and LIQUIDITY PROVIDER can deal with it on its own right. In the event of our insolvency you will have no rights or claim in relation to this money. We will transfer an equivalent amount of money back to you where, in our reasonable discretion, we consider that it is no longer necessary for us to retain the money you have paid to us. In determining the amount of money you will be required to pay to us pursuant to this clause and whether it is necessary to retain such money, we may apply such a methodology (including your trading history, judgments as to the future movement of markets and value) as we consider appropriate, consistent with this Agreement and applicable law and regulations.

- 5.4 Pursuant to Clause 5.2, we may need to pass money received from you to a third party (e.g. a market or intermediate broker, OTC counterparty or clearing house) to hold or control in order to effect a Transaction through or with that person or to satisfy your obligation to provide collateral (e.g. Margin) in respect of a Transaction. We have no responsibility for any acts or omissions of any third party to whom we pass money received from you. The third party to whom we pass money may hold it in an omnibus account and it may not be possible to separate it from our money, or the third party's money.

In the event of the insolvency or any other analogous proceedings in relation to that third party, we will only have an unsecured claim against the third party on behalf of you and our other clients, and you will be exposed to the risk that the money received by us from the third party is insufficient to satisfy the claims of you and all other clients with claims in respect of the relevant account.

- 6.3 The Client shall indemnify and hold harmless LIQUIDITY PROVIDER from any Losses it may incur as a result of executing a Transaction for the Client based on an Order submitted to the Trading Platform if such Order is accompanied by that Client's Access Code regardless of who actually placed that Order.
- 6.4 If we believe that your Access Code is being used without your knowledge and/or unauthorized persons, we may without prior notice suspend your rights to use the Trading Platform. Further, if we believe that you have supplied your Access Code to other persons in breach of clause 6.2.2 above, then we may terminate this Agreement immediately or take such other action as we determine appropriate in our sole and absolute discretion.
- 6.5 You shall be solely responsible for providing and maintaining any equipment and software and for making all appropriate arrangements with any telecommunications suppliers or, where access to the Trading Platform is provided through a third party server, any such third party, necessary in order to obtain access to the Trading Platform. Neither LIQUIDITY PROVIDER nor any company maintaining, operating, owning, licensing, or providing services to LIQUIDITY PROVIDER in connection with, the Trading Platform (a "**Service Provider**") makes any representation or warranty as to the suitability or otherwise of any such equipment, software or arrangements.
- 6.6 You will not use, or allow the use of, the Trading Platform (i) in contravention of any laws, regulations or rules of any regulatory authorities to which you or we are subject; (ii) in any way (including without limitation posting information on the Trading Platform where this facility is available) that is defamatory, obscene, abusive, indecent or menacing or that infringes any intellectual property rights or breaches obligations of confidence or that is otherwise illegal or unlawful; (iii) to introduce a software virus or other disruptive program or do any act that would cause the Trading Platform to become unavailable for use by others; (iv) to solicit or encourage other Internet websites to frame or hypertext link direct to the Trading Platform without the prior written consent of LIQUIDITY PROVIDER; or (v) in any way that is not authorized by LIQUIDITY PROVIDER or in breach of this Agreement or other agreement with LIQUIDITY PROVIDER.
- 6.7 The Trading Platform is not a futures exchange or a securities exchange.
- 6.8 Due to trade safety considerations of all Clients, in the event that if the Client substantially burdens the exchange systems by generating significant number of requests to the exchange server, LIQUIDITY PROVIDER reserves the right to temporarily disconnect the Client's Account. In the event that a Client's Account is disconnected, LIQUIDITY PROVIDER will promptly contact the Client and explain the reasons for such disconnection but in no event shall LIQUIDITY PROVIDER be held liable for any Losses incurred by the Client as a result of such disconnection.
- 6.9 The Trading Platform is provided "as is" and neither we nor any of our Service Providers makes any representations or warranties of any kind whatsoever regarding (i) the availability, currency, accuracy or completeness of the Trading Platform, (ii) the accuracy or reliability of the results (including loss of data) to be obtained by you or anyone else from the use of the Trading Platform, (iii) any third party

content accessible on or through the Trading Platform and (iv) fitness for purpose or other warranties which may arise by statute, course of dealing, custom or market practice.

7 PRICES AND OPEN POSITIONS

- 7.1 For each Financial Instrument subject to a potential Transaction, LIQUIDITY PROVIDER will provide you with a bid price ("**Bid Price**") and an offer price ("**Offer Price**").
- 7.2 Current Prices can be obtained through the Trading Platform or by telephone during Trading Hours.
- 7.3 The Prices are based on prices received from various market participants and may or may not be marked up or marked down at LIQUIDITY PROVIDER's absolute discretion. LIQUIDITY PROVIDER reserves the right to add and vary the Spread at its absolute discretion and is entitled to change or withdraw a Price at any time up until the time at which your Order in respect of a certain Price has been accepted.
- 7.4 Once provided, a Price shall expire on the earlier of (i) its expiration time and (ii) the time, if any, at which it is otherwise withdrawn by LIQUIDITY PROVIDER (whether or not that Price is replaced by a new Price). A Price may not be used in an Order after it has expired. The Trading Platform will indicate when a Price has expired by providing a new Price in respect to the same Financial Instrument or by other means which indicates the Price is no longer available. In the case of dealing over the telephone, LIQUIDITY PROVIDER will notify the Client during the relevant telephone call that a Price has changed or has otherwise expired.
- 7.5 From time to time indicative prices may be provided for guidance purposes only and such indicative prices cannot be used for trading.
- 7.6 Each Price shall be available for use in an Order subject to a maximum principal amount as determined by us from time to time (the "**Maximum Amount**").
- 7.7 The Client acknowledges that the Prices and Maximum Amounts provided pursuant to this Agreement may differ from prices and maximum amounts provided by us to other clients and be withdrawn or changed without notice.
- 7.8 We may, in our sole and absolute discretion and without prior notice to you, immediately cease to provide Prices in some or all currency pairs and for some or all value dates.
- 7.9 Internet connectivity delays and price feed errors sometimes create a situation where the prices displayed on the Trading Platform do not accurately reflect the market rates. We do not permit the practice of latency arbitrage or taking advantage of these internet delays. Transactions that rely on price latency arbitrage opportunities may be revoked. We reserve the right to make the necessary corrections or adjustments on the account involved in our sole and absolute discretion.

8 ORDERS AND TRANSACTIONS

- 8.1 Subject to clause 8.2, unless otherwise agreed by us, all orders with respect to a Transaction (an "**Order**") must be given to us electronically through the Trading Platform. By signing this Agreement the Client hereby authorises LIQUIDITY PROVIDER to execute Transactions on the basis of Orders placed via Trading Platform.

- 8.5 Execution of an Order by us shall constitute a binding agreement by you and us to a Transaction subject to the terms of the Order and this Agreement.
- 8.6 Subject to clause 8.7 we may (i) refuse to accept any Orders from you and (ii) cancel any Orders previously given by you which have yet to be executed in the event that:
- 8.6.1 the level of Margin is insufficient to execute the Transaction;
 - 8.6.2 the nominal value of the Transaction is greater than the Maximum Amount;
 - 8.6.3 LIQUIDITY PROVIDER cannot determine the market price of the Financial Instrument due to a lack of market data;

- 8.7 In the event that we refuse to accept an Order from you, we will use all reasonable endeavours to notify you of such refusal promptly upon receipt of the relevant Order.
- 8.8 You hereby acknowledge that we may combine your Orders with Orders for our own account or the account of our affiliates or with those of other clients. We will only aggregate such Orders in the event that we reasonably believe that the aggregation would not result in an overall disadvantage for you and our other clients.
- 8.9 We may fill your Orders for a portion of the principal amount specified in the Order and in such event, the unfilled portion of such Order shall remain in effect until withdrawn, cancelled or executed.
- 8.10 All Orders will be executed in accordance with Part 2 of Schedule 2 (Trading with LIQUIDITY PROVIDER).

9 CONFIRMATIONS

- 9.1 Following the execution of an Order for your Account, we will confirm the Transaction by electronic receipt and/or reflecting the same on the Trading Platform (a "**Confirmation**") provided that failure to do so will not affect the validity of the Transaction. Confirmations shall be deemed to be conclusive and binding on you if not objected to immediately upon receipt with such objection confirmed in writing within one (1) Business Day after dispatch.
- 9.2 We will post details of your account activity on-line on the Trading Platform and you will be able to generate daily, monthly and annual reports of Account activity as well as a report of each Transaction. Such details will be available for a minimum of twenty-four hours after the relevant activity takes place on your Account.
- 9.3 Posting of Account information on the Trading Platform will be deemed delivery of Confirmations and Account statements.

10 SETTLEMENT DATE, ROLLOVER AND OFFSET INSTRUCTIONS

- 10.1 We will automatically rollover all open positions on your Account on the end of each Business Day. You will be responsible for any debit or credits to your account subject to current market rates. We may charge you a fee in respect of each such position that is rolled over.
- 10.2 In the absence of timely instructions from you, we are authorized to rollover or offset all or any portion of the currency positions in your Accounts or to make or receive delivery on your behalf upon such terms and by such methods deemed reasonable by us in our sole and absolute discretion.
- 10.3 For the avoidance of doubt, we will not arrange delivery of currencies.

11 CURRENCY FLUCTUATIONS

- 11.1 If you enter into a currency Transaction:
- 11.1.1 any profit or loss arising from fluctuations in the exchange rate affecting such currency will be entirely at your account and risk;
 - 11.1.2 all initial and subsequent deposits for Margin purposes shall be made in the Base Currency of your Cash Account, in such amounts as we may in our sole and absolute discretion require;
 - 11.1.3 we are authorized to convert funds in your Account which are for Margin into and from such foreign currency at a rate of exchange determined by us on the basis of the then prevailing money market rates. In such circumstances, we will not be liable to you for any loss suffered by you or any third party as a result of such action (although, we will use reasonable endeavours to only convert such funds as may reasonably be required to cover the position in respect of the relevant transaction).
- 11.2 If we receive or recover any amount in respect of any of your obligations in a currency other than that in which such amount was payable, whether pursuant to a judgment of any court or otherwise, you will indemnify us and hold us harmless from and against any Losses suffered by us as a result of receiving such amount in a currency other than the currency in which it was due.

12 MARGIN

- 12.1 As a condition to entering into a Margined Transaction, we may, at our sole and absolute discretion, require the deposit of funds or other collateral acceptable to us as security for payment of any Losses incurred by you in respect of the Transaction (the "**Initial Margin**"). The Initial Margin will be due and payable as a condition to opening the relevant Margined Transaction and we may decline to open any Margined Transaction if you do not have sufficient available cash in your Cash Account to satisfy the Initial Margin required for that Transaction at the time the relevant Order is placed.
- 12.2 Margin Requirements may be set and varied without prior notice at our sole and absolute discretion including without limitation subsequent variation of any margin rates set at the time that a Margined Transaction is opened (the "**Variation Margin**" together with Initial Margin, the "**Margin**").
- 12.3 The Margin shall be provided by or on behalf of you in cash or as collateral in a form acceptable to us as determined at our sole and absolute discretion. We may require payment of Margin by you via immediate electronic funds transfer or any other method acceptable to us. Only funds received net of any bank charges, which relate to the transfer, will be credited as paid. We shall be entitled to treat any assets deposited with us by you from time to time (other than assets deposited for safe custody only) as collateral against your Margin Requirements. In all cases we shall be entitled to determine the value of any collateral deposited with us at our sole and absolute discretion.
- 12.4 You must maintain in your Cash Account sufficient funds to meet all Margin Requirements at all times. You must inform us immediately if you cannot, or believe you will not be able to, meet a Margin payment when due.
- 12.5 If, at any time, there is insufficient Margin in your Cash Account or if the deposited Margin is insufficient to meet your Margin Requirements, we may, in our sole and absolute discretion, choose to close or terminate the relevant Margined Transaction(s) with immediate effect and without notice to you provided that, in the event of such termination by us, the failure to maintain sufficient Margin under this clause 12.5 will not constitute an Event of Default. In the event that we elect not to close or terminate your Margined Transaction, we may, but are not obliged to make a call of Margin (a "**Margin Call**") in accordance with clause 12.8 below.
- 12.6 Without prejudice to the foregoing, any Transaction entered into by you or on your behalf that results in there being insufficient Margin to cover any actual or anticipated losses or liabilities in connection with your account will constitute an Event of Default and we may in our sole and absolute discretion exercise our rights in clause 19 below, whether there has been a Margin Call or not.
- 12.7 If the Equity in relation to your Account in the Trading Platform is equal or lower than the current Margin, LIQUIDITY PROVIDER is entitled, but not obliged, to close any or all, in whole or in part, of the Client's open positions on the basis of current market price (or next available), to exercise its rights of combination consolidation and set off hereunder, to close Client's Account and not accept any further Orders from Client in each case with or without notice to Client. The balance of the settlement of a

Client's Transactions closed in such manner shall be accordingly credited or debited from the Client's particular Cash Account.

- 12.8 Notwithstanding the fact that we are not obliged to make Margin Calls prior to liquidating your Margined Transactions pursuant to clauses 12.5 to 12.7, in the event that you fail to maintain sufficient funds to meet the Margin Requirements, a Margin Call may be made at any time by telephone, telephone answering machine message, voice mail, letter, fax, e-mail or any other means of electronic communication (details of which you have provided to LIQUIDITY PROVIDER from time to time) including via the Trading Platform.
- 12.9 It is your responsibility to notify us immediately of any change in your contact details and provide alternative contact details to ensure Margin Calls can be made if you will not be contactable at your usual contact details provided, e.g. when you are travelling or on holiday. Nonetheless, we shall not be liable for any failure by us to contact you or attempt to contact you.
- 12.10 In the event that we decide to make a Margin Call, the terms and conditions of the Margin Call will be detailed in the Margin Call (including the time by which the payment of additional Margin must be made) and we reserve the right to change the terms and conditions of any Margin Call based on market conditions, without prior notice to you. Any Margin Call made shall be without prejudice to our rights to liquidate your Margined Transactions pursuant to clauses 12.5 to 12.7 above.
- 12.11 Any failure to pay the required Margin within the time period specified in the Margin Call shall constitute an Event of Default and, in addition to our rights under clause 19 below, we may immediately close or terminate your Margined Transactions without notice to and decline to enter into any further Margined Transactions with you.
- 12.12 Notwithstanding the time period specified in the Margin Call, we may be obliged to close your Margined Transaction(s) if a Margin Call remains unsatisfied for more than twenty four (24) hours.

 - 13.1.1 all non-cash collateral, and

now or in the future provided by you to us or to our order or under our direction or control or otherwise standing to the credit of your account under this Agreement or otherwise held by us or our affiliated companies or our nominees on your behalf.
- 13.2 You hereby undertake to:
 - 13.2.1 execute such further documents and to take such further steps as we may reasonably require to perfect our security interest over, be registered as owner of or obtain legal title to the non-cash collateral, secure further the Secured Obligations, enable us to exercise our rights, or to satisfy any market requirement;
 - 13.2.2 not withdraw or substitute any property subject to our security interest without our consent, which we may grant or withhold in our sole and absolute discretion; and
 - 13.2.3 neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the non-cash collateral transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.
- 13.3 We may, free of any adverse interest of yours or any other person, grant a security interest over any non-cash collateral provided by you to cover any of our obligations to an intermediate broker, market or exchange, including obligations owed by virtue of the positions held by us or another of our customers.
- 13.4 You hereby also grant to us the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other customers, to ourselves as broker or to others, any funds, securities, commodities, currencies and other property belonging to you which is held by us as Margin or security.

19 EVENT OF DEFAULT

- 19.1 An "Event of Default" shall occur if at any time:
- 19.1.1 you fail to comply fully and immediately with any obligation to make any payment or to make or take delivery of any property when due to or required by us;
- 19.1.2 you default in any other obligation or commit any breach of any other obligations under this Agreement or a Transaction, including but not limited to, any Margin Call;
- 19.1.3 any representation or warranty made by you was or has become or subsequently would be, if repeated at any time, incorrect;
- 19.1.4 due to market fluctuations or for any other reason we shall in our sole and absolute discretion consider that we hold insufficient Margin or determine that any security held by us to protect one or more of your Account(s) is inadequate regardless of current market quotations;
- 19.1.5 we, acting in our sole and absolute discretion, determine that there is or has been an adverse change in the creditworthiness of any party providing a guarantee and/or indemnity in respect of your obligations under this Agreement;
- 19.1.6 we consider it necessary or desirable to prevent what we consider is or might be a violation of any applicable laws or regulations or good standard of market practice;
- 19.1.7 you commence a voluntary arrangement or other procedure seeking or proposing liquidation, reorganization, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to you or your debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any other law with potential application to you, if insolvent), or seeking the appointment of a trustee, receiver, liquidator, conservator, administrator, custodian or other similar official (each an "**Insolvency Officer**") of you or any substantial part of your assets; or if you take any action to authorize any of the foregoing;

- respect to you or your debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any other law with potential application to you, if insolvent) or seeking the appointment of an Insolvency Officer of you or any substantial part of your assets; or
- 19.1.9 you are dissolved, or, if your capacity or existence is dependent upon a record in a formal register, the registration is removed or ends, or any procedures are commenced seeking or proposing your dissolution, removal from such a register, or the ending of such a registration.

20 CONSEQUENCES OF DEFAULT

- 20.1 Subject to clause 20.2 below, at any time following the occurrence of an Event of Default, we may, by notice to you, specify a day on which we will commence the termination and liquidation of transactions (the "**Liquidation Date**").
- 20.2 Unless we specify otherwise, the date of the occurrence of any Event of Default shall automatically constitute a Liquidation Date without the need for any notice by us ("**Automatic Termination**") and the provisions of clause 20.3 shall then apply.
- 20.3 Upon the occurrence of a Liquidation Date:
- 20.3.1 we shall not be obliged to make any further payments or deliveries under any Transactions that would, but for this clause 20, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount;
- 20.3.2 we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction or group of Transactions referred to in clause 20.3.1 above, its total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position as a result of the termination, pursuant to this Agreement, of each such Transaction, including losses and costs (or gains) in respect of any payment or delivery required to be made under such Transaction (assuming satisfaction of each applicable condition precedent) on or before the Liquidation Date and not made; and
- 20.3.3 we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "**Liquidation Amount**").
- 20.4 If the Liquidation Amount determined pursuant to clause 20.3 above is a positive amount, you shall pay to us an amount equal to the Liquidation Amount and if it is a negative amount, we shall pay to you an amount equal to the Liquidation Amount. We shall notify you of the Liquidation Amount, and by whom it is payable, promptly after the calculation of such amount.
- 20.5 The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under clause 20.3 above (converted as required by applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid amount and bear interest, at the rate of one tenth of a percent (0.1%) per day or as otherwise may be reasonably determined by us to be the cost of funding such overdue amount (or such lesser amount as may be permitted by applicable law). Interest will accrue on a daily basis and will be due and payable by you as a separate debt.
- 20.6 For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.
- 20.7 Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or a potential Event of Default with respect to you has occurred and is continuing.
- 20.8 Our rights under this clause 20 are in addition to, and not in limitation or exclusion of, any other rights that we may have under this Agreement or otherwise whether by agreement or operation of law. In particular and without prejudice to the provisions of clauses 20.1 to 20.7 above, we are authorized and entitled, without notification to you and in our sole and absolute discretion to take such action as we

deem necessary, expedient or desirable, to protect our own position, including without limitation, one or more of the following actions (whether in whole or in part):

- 20.8.1 exercise our power to sell all or any part of the Margin and apply the proceeds of sale or other disposal in paying the costs of such sale or other disposal and in or towards satisfaction of any Secured Obligations;
 - 20.8.2 close out or give instructions to close out all or any of your open positions;
 - 20.8.3 perform, cancel or if applicable abandon any of your open positions;
 - 20.8.4 borrow, buy, sell, mortgage, charge or otherwise dispose of any or all investments, monies or other assets that you may have requested us to enter into or hold with or for you or other property of any type held or carried for you (whether entered into or held as security for your obligations to us hereunder or otherwise) or purchase or borrow any or all investments or other assets;
 - 20.8.5 satisfy any obligation that you may have to us, either directly or by way of guarantee or indemnification, out of any of your investments, monies or other assets in our custody or control; and
 - 20.8.6 cancel any or all outstanding orders or contracts or any other commitments made with or for you.
- 20.9 Any of the above actions in clause 20.8 may be taken without making a Margin Call, and regardless of whether the relevant investments or Transactions that we may have executed or arranged with, or for you, are solely yours or held jointly with others. In liquidating any long or short positions we may, at our sole and absolute discretion, sell or purchase in the same contract month or initiate new long or short positions in order to establish a spread or straddle that in our sole and absolute judgment is necessary or advisable to protect existing positions on your account. In all cases, a prior demand by us, or notice of the time and place of a sale or purchase, shall not constitute a waiver of our rights to sell or buy without demand or notice as herewith provided. You will at all times be liable for the payment of any debit balance on your account and you will be liable for any deficiency remaining on your account in the event of the liquidation thereof in whole or in part by you or us. If the proceeds realized pursuant to this authorization are insufficient for the payment of all liabilities due to us from you, you will promptly pay on demand the deficit and all unpaid liabilities together with overdue interest.
- 20.10 Any action taken by us in connection with or pursuant to any Transaction (in particular any Margined Transactions) by us at a time at which any Event of Default has occurred (whether or not we have knowledge thereof) shall be entirely without prejudice to our right to refuse any further performance thereafter, and shall not in any circumstances be considered as a waiver of that right or as a waiver of any other rights of ours should any such Event of Default have occurred.

A consequence of LIQUIDITY PROVIDER doing so is that if your Trades or Orders relate to Underlying Instruments, your Trades or Orders can, through our hedging, exert a distorting influence on the Underlying Instrument, in addition to any impact on the Prices. This creates a possibility of market abuse and the function of this clause is to prevent such abuse and to enable us to take appropriate action.

29.2 You represent and warrant to us and agree that each such representation and warranty is deemed repeated each time you open and close a Trade and each time you place and cancel an Order that: -

29.2.1 you will not place and have not placed any Trade and/or Order with us or otherwise (when you deal with us) behaved nor will you behave in a manner that would amount to market abuse and/or market manipulation by you. For the purpose of assessing whether you have done so, you may be deemed to have dealt directly in the Underlying Instrument to which your Trade and/or Order relates; and

29.2.2 you will not place and have not placed a trade and/or order that contravenes any primary or secondary legislation or other law or regulatory rules including in relation to insider dealing. For the purposes of this clause you agree that we may proceed on the basis that when you open or close a Trade and/or place an Order relating to a share/equity you may be treated as if you were dealing in securities.

29.3 In the event that you breach any of the representations or warranties stated above, or we have grounds for suspecting that you have done so, we may in our sole and absolute discretion (and with or without giving notice to you) and without being under any obligation to inform you of our reason for doing so, close that Trade and/or Order and any other Trades and/or Orders that you may have open at that time and also in our sole and absolute discretion:-

29.3.1 enforce the Trade(s) against you if it is a Trade under which you have made losses; and

29.3.2 treat your Trade(s) closed under this clause as void if under which you have made profits, unless and until you produce evidence that you in fact have not committed the breaches. If you do not produce such evidence within the period of six months from the date of closure, all such Trades will be finally terminated. Trades closed under herein clause will be closed at the relevant Price published on the Trading Platform.

29.4 We are entitled to report to any relevant regulatory authority any Trade, Order or other instruction given by you which may constitute a breach under this clause 29.

29.5 The exercise by LIQUIDITY PROVIDER of any of its rights under this clause 29 in respect of any Trade and/or Order shall not affect any other rights of LIQUIDITY PROVIDER (under this Agreement or at law) whether in respect of that Trade and/or Order or any other Trade and/or Order.
